

Dear Tenants:

Enclosed you can find printouts to utilize in your trash receptacle areas. Or you can create your own signs by clicking on the link that follows:

- <http://www.recyclingrulesac.org/sign-maker/>

Below are some options that are supported by South San Francisco Scavenger to assist when choosing janitorial items for trash receptacle areas.

- Here is a link to a list of certified compostable bags:
<http://products.bpiworld.org/companies/category/bags>

Would you like to stay up-to-date on South San Francisco Scavenger Newsletters and programs? Click on the link below to stay updated!

Remember: **Food scraps are only wasted if placed in the garbage.
Put food scraps in your organics cart or bin and we'll make fuel and compost!**

Thank you kindly,

Megan Kershek
Assistant Real Estate Manager
CBRE | Asset Services | San Francisco Bay Area
As managing agent for HCP, Oyster Point III, LLC

Yes

Place non-contaminated lab plastics like these in your "Containers Only" cart or bin.

They will be recycled.

No

Place Styrofoam, plastic wrap, petri dishes, pipettes, syringes and other small plastic items in the garbage.

Please remember that all recyclables are sorted by hand.

NO HAZARDOUS MATERIALS PERMITTED.
