INNOVATION TOWER

WHERE AMERICA'S
FUTURE RISES

The new ways we work require a new approach to the places where we work.

Innovation Tower is leading the evolution of the office environment to attract, inspire and retain top talent.

295,000 RSF
11-story
office

27,000 SF
World-class
amenities

2.5 Acre
Outdoor
community plaza

4:1,000
Parking
ratio

Complete with a multi-purpose amphitheater within a modern 2.5-acre exterior plaza, Innovation Tower users and guests can enjoy the outdoors in comfort and connect with the Tech Port campus's retail, restaurants, linear park, and pedestrian thoroughfares.

Iconic Design with Modern Functionality

With a stunning design by world-renowned architecture firm Pelli Clarke and Partners, Innovation Tower is where iconic architectural design meets unparalleled functionality and attention to detail.

Floor-to-ceiling glass with views of downtown San Antonio and Kelly Field

10' finished ceilings with 14' open ceiling heights

Terraces on every floor

Lobby and street-facing tenant opportunities

Destination dispatch elevators

LEED Gold Certified

Redundant power and telecommunications

Secured, structured parking with ample electric vehicle charging stations

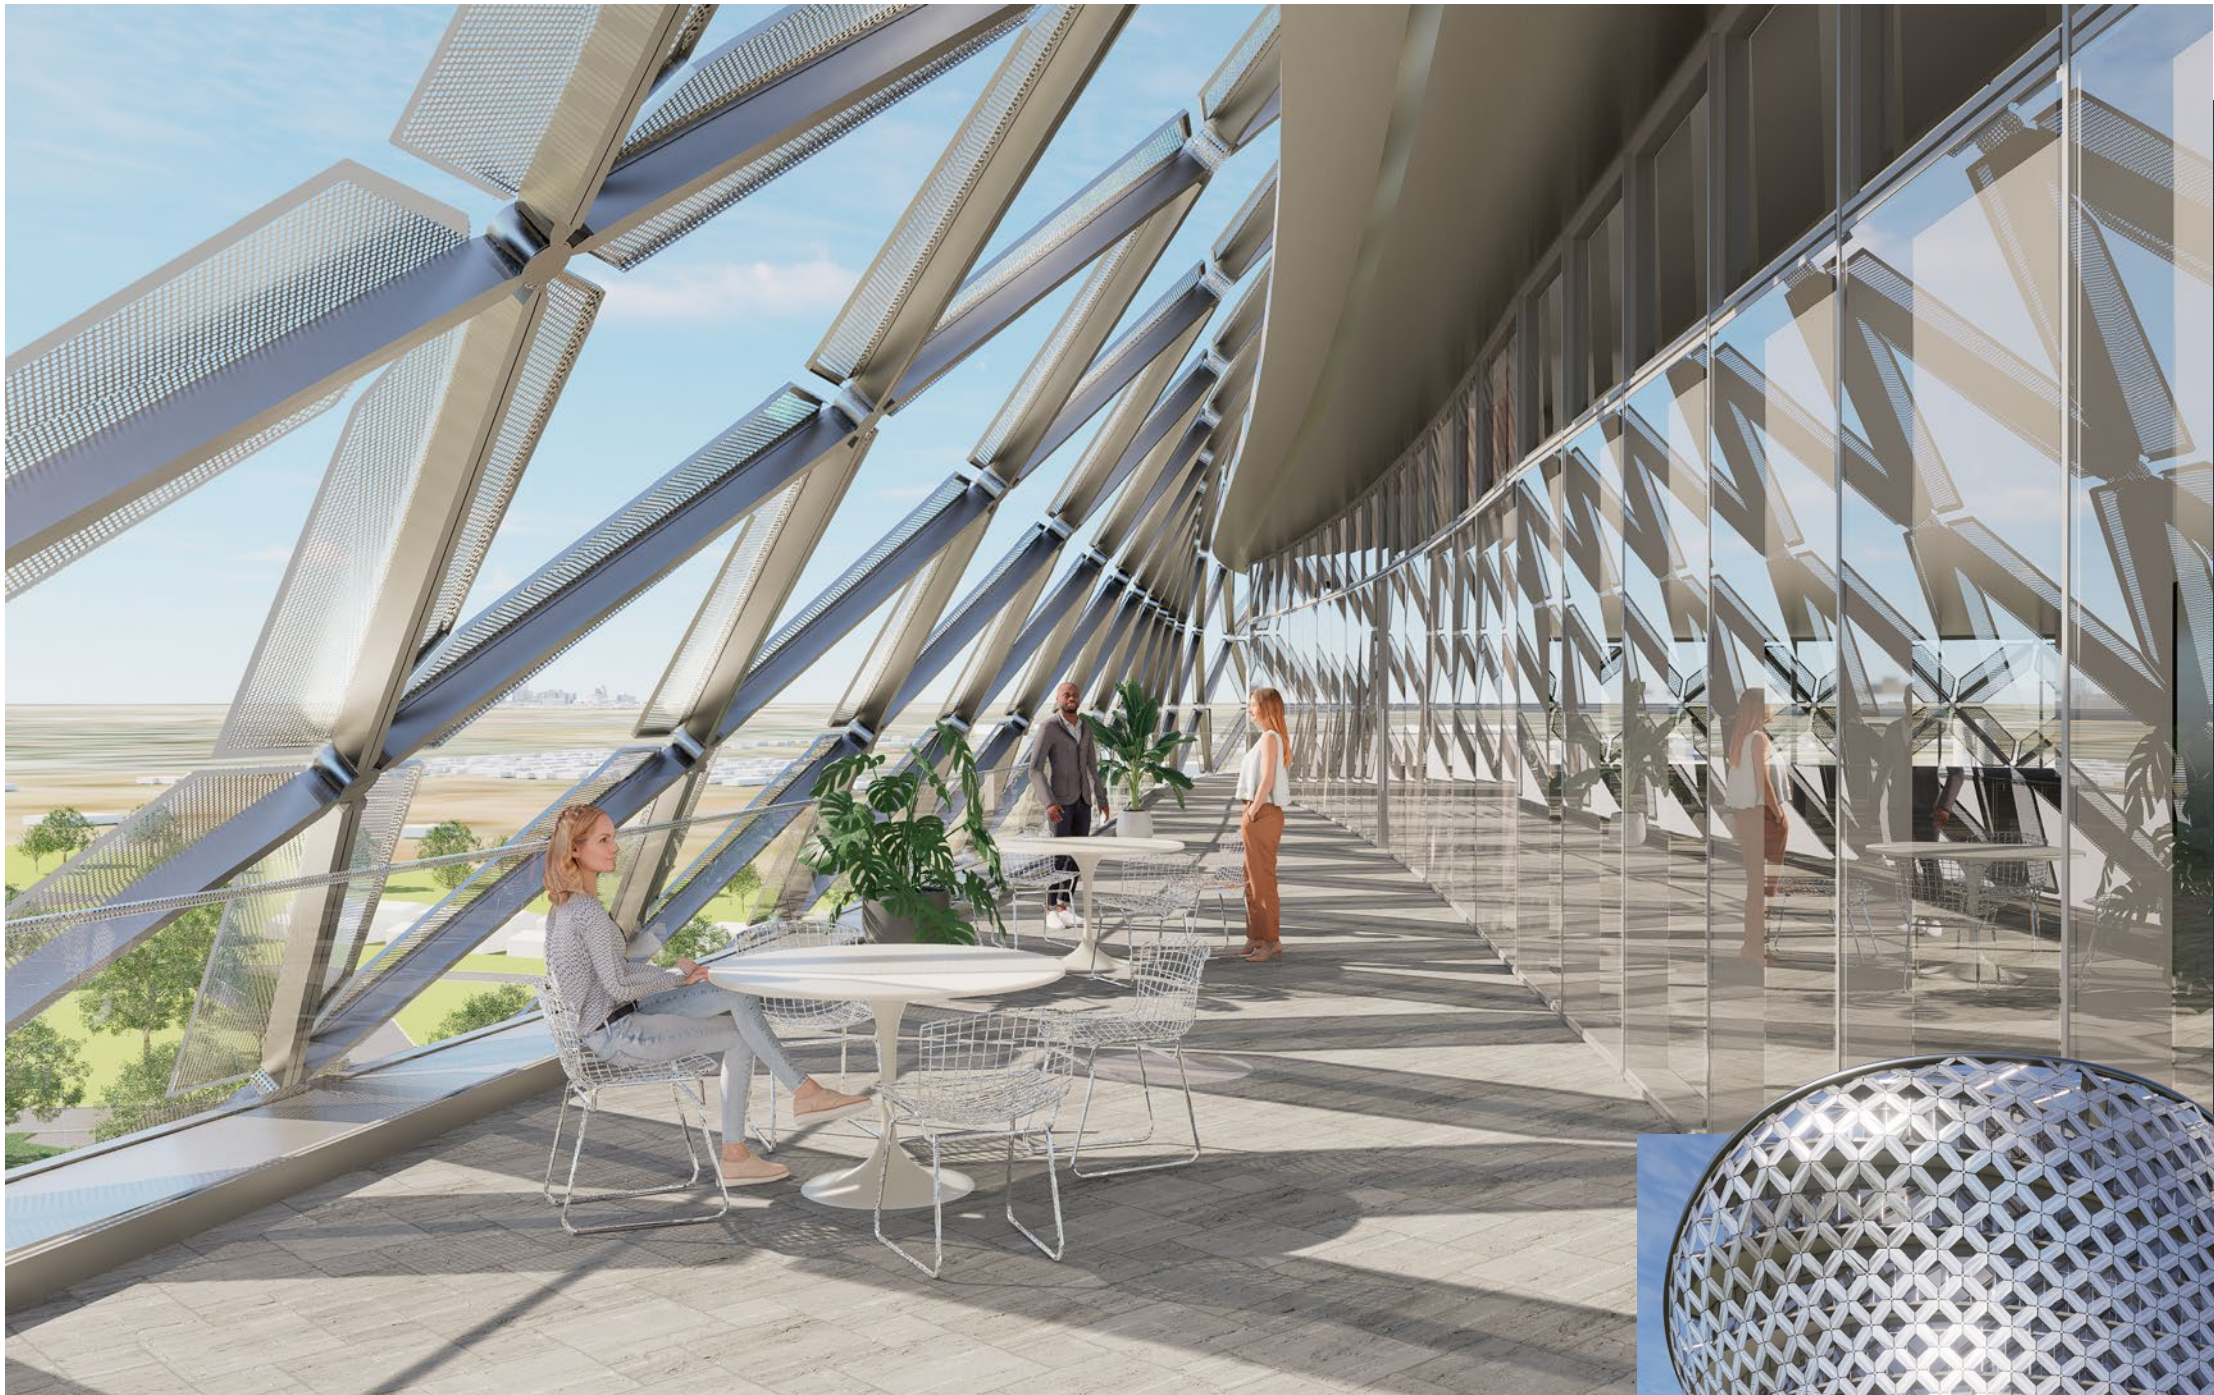

Slab knock-out panels for interconnecting stairs

Infrastructure for tenant commercial kitchens

Innovation Tower's lobby pairs classic elegance with ultramodern technology, hardware, and security infrastructure.

 7,300 SF Health and wellness center	 3,400 SF Dining terrace on plaza level
 540 SF Fitness classroom	 6,400 SF State-of-the-art conference center
 Spa-Style Restrooms on all office levels	 6,000 SF Statement-making lobby with high security

More than an Office: A Place for Building Futures

With over 27,000 SF of employee-centered amenities, talent attraction and human performance are at the forefront of Innovation Tower's design.

Here, leading minds can collaborate and launch the latest innovations in the world's leading technologies.

Every office floor features large terraces with sweeping panoramic views of the Tech Port campus and miles beyond.

Stronger Body, Sharper Mind

Health and wellness Center

10,800 SF to 30,000 SF**

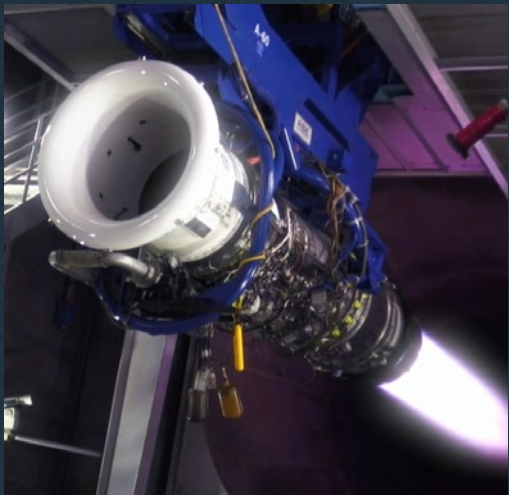

Driving the Future

The Tech Port campus is far and away the region's largest technology hub. It is also one of the nation's most dynamic and rapidly growing innovation communities.

Conceptual rendering of the central campus at full build-out

Today, more than 80 tenant customers and their 18,000 on-site employees work on the Tech Port campus, where they connect with life-changing opportunities in their careers, educational pathways and as entrepreneurs.

Tech Port is a place leading the advancement of state-of-the-art innovations across numerous sectors, including:

- Aerospace
- Cybersecurity
- National Defense
- Critical Infrastructure
- Robotics
- Space Exploration
- Advanced Manufacturing
- Specialized Technical Training
- Research and Development
- K-12 Stem/Steam Education

Together, our customers are delivering innovations that make the world a more productive, safer and resilient place.

Boeing Center at Tech Port: A Dynamic Innovation Engine

Launched in 2022, the Boeing Center at Tech Port is a short walk from Innovation Tower. It has quickly become a cultural, entertainment and industry landmark destination where people from near and far are connecting with education, career and business opportunities.

3,300-seat arena / conference + convention center with full spectrum broadcast capabilities

Home to AREA 21, presented by the San Antonio Museum of Science and Technology

Venture Capital Accelerator powered by Capital Factory

Esports Arena and 60-seat LAN center—the most advanced gaming venue in the nation

An array of dining amenities open to the public

In-house executive chef / large commercial kitchen to host all types of industry and VIP events

A Tech Destination

With many of the world's leading technology innovators in a connected and collaborative ecosystem, grow your business and your network on the Tech Port campus.

Here, we're connecting the world's largest government and commercial employers to facilitate the delivery of innovative solutions.
