

a modern creative campus

6265 San Fernando Road,
Glendale, CA

SFR

welcome to SFR

**SFR is a low-rise
creative office campus.**

Offering 95,382 square feet across four buildings,
SFR delivers an unmistakably original, inspiring office
environment in a secure, exclusive campus setting

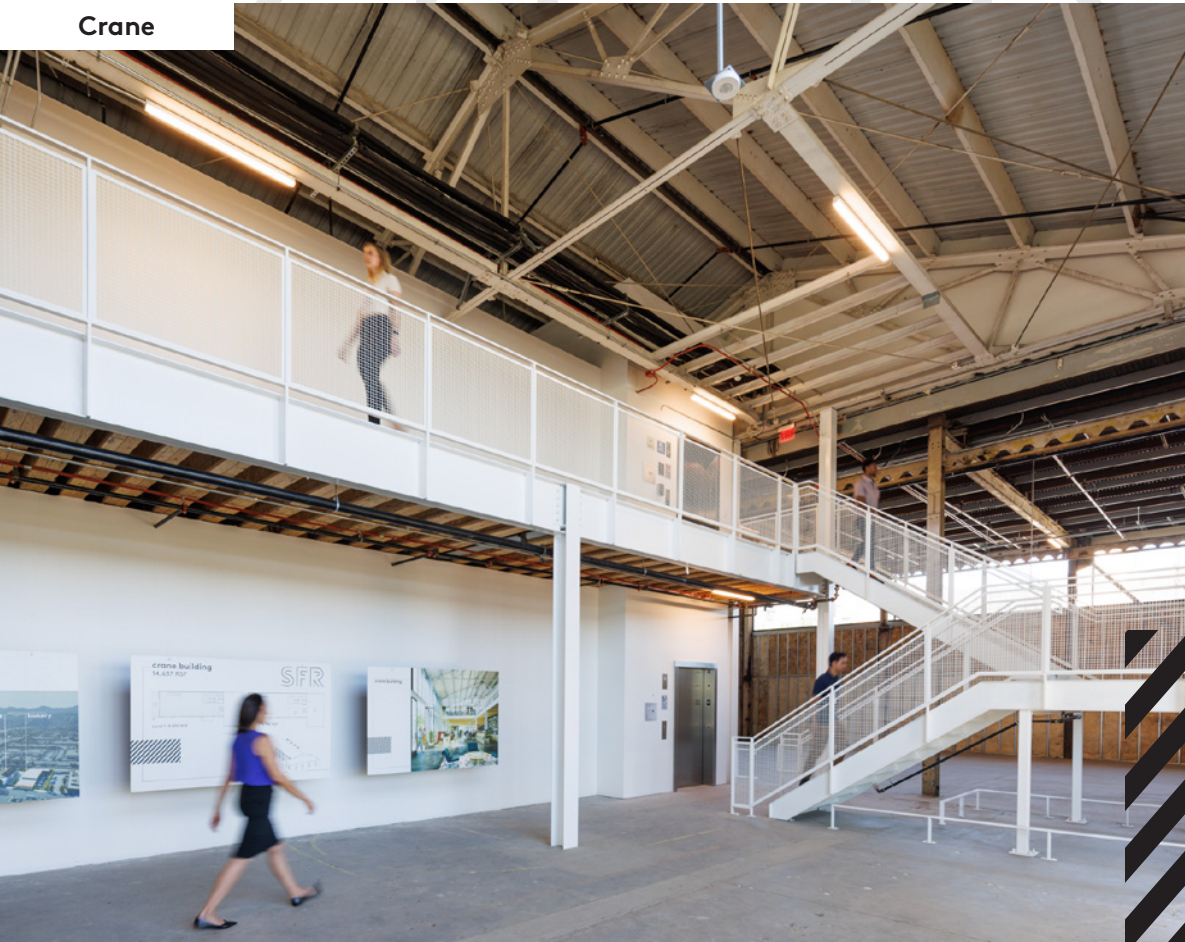

Crane

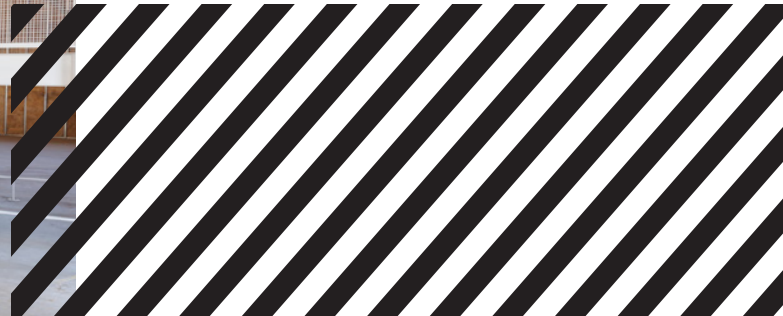

Sawtooth

industrial history industrious future

Crane

Los Angeles based RIOS re-envisioned a mechanical equipment factory and campus by retaining industrial texture and designing well-lit flexible multi-use space that is woven seamlessly into thoughtfully designed outdoor spaces to activate, elevate and mindfully engage the workplace.

S E R

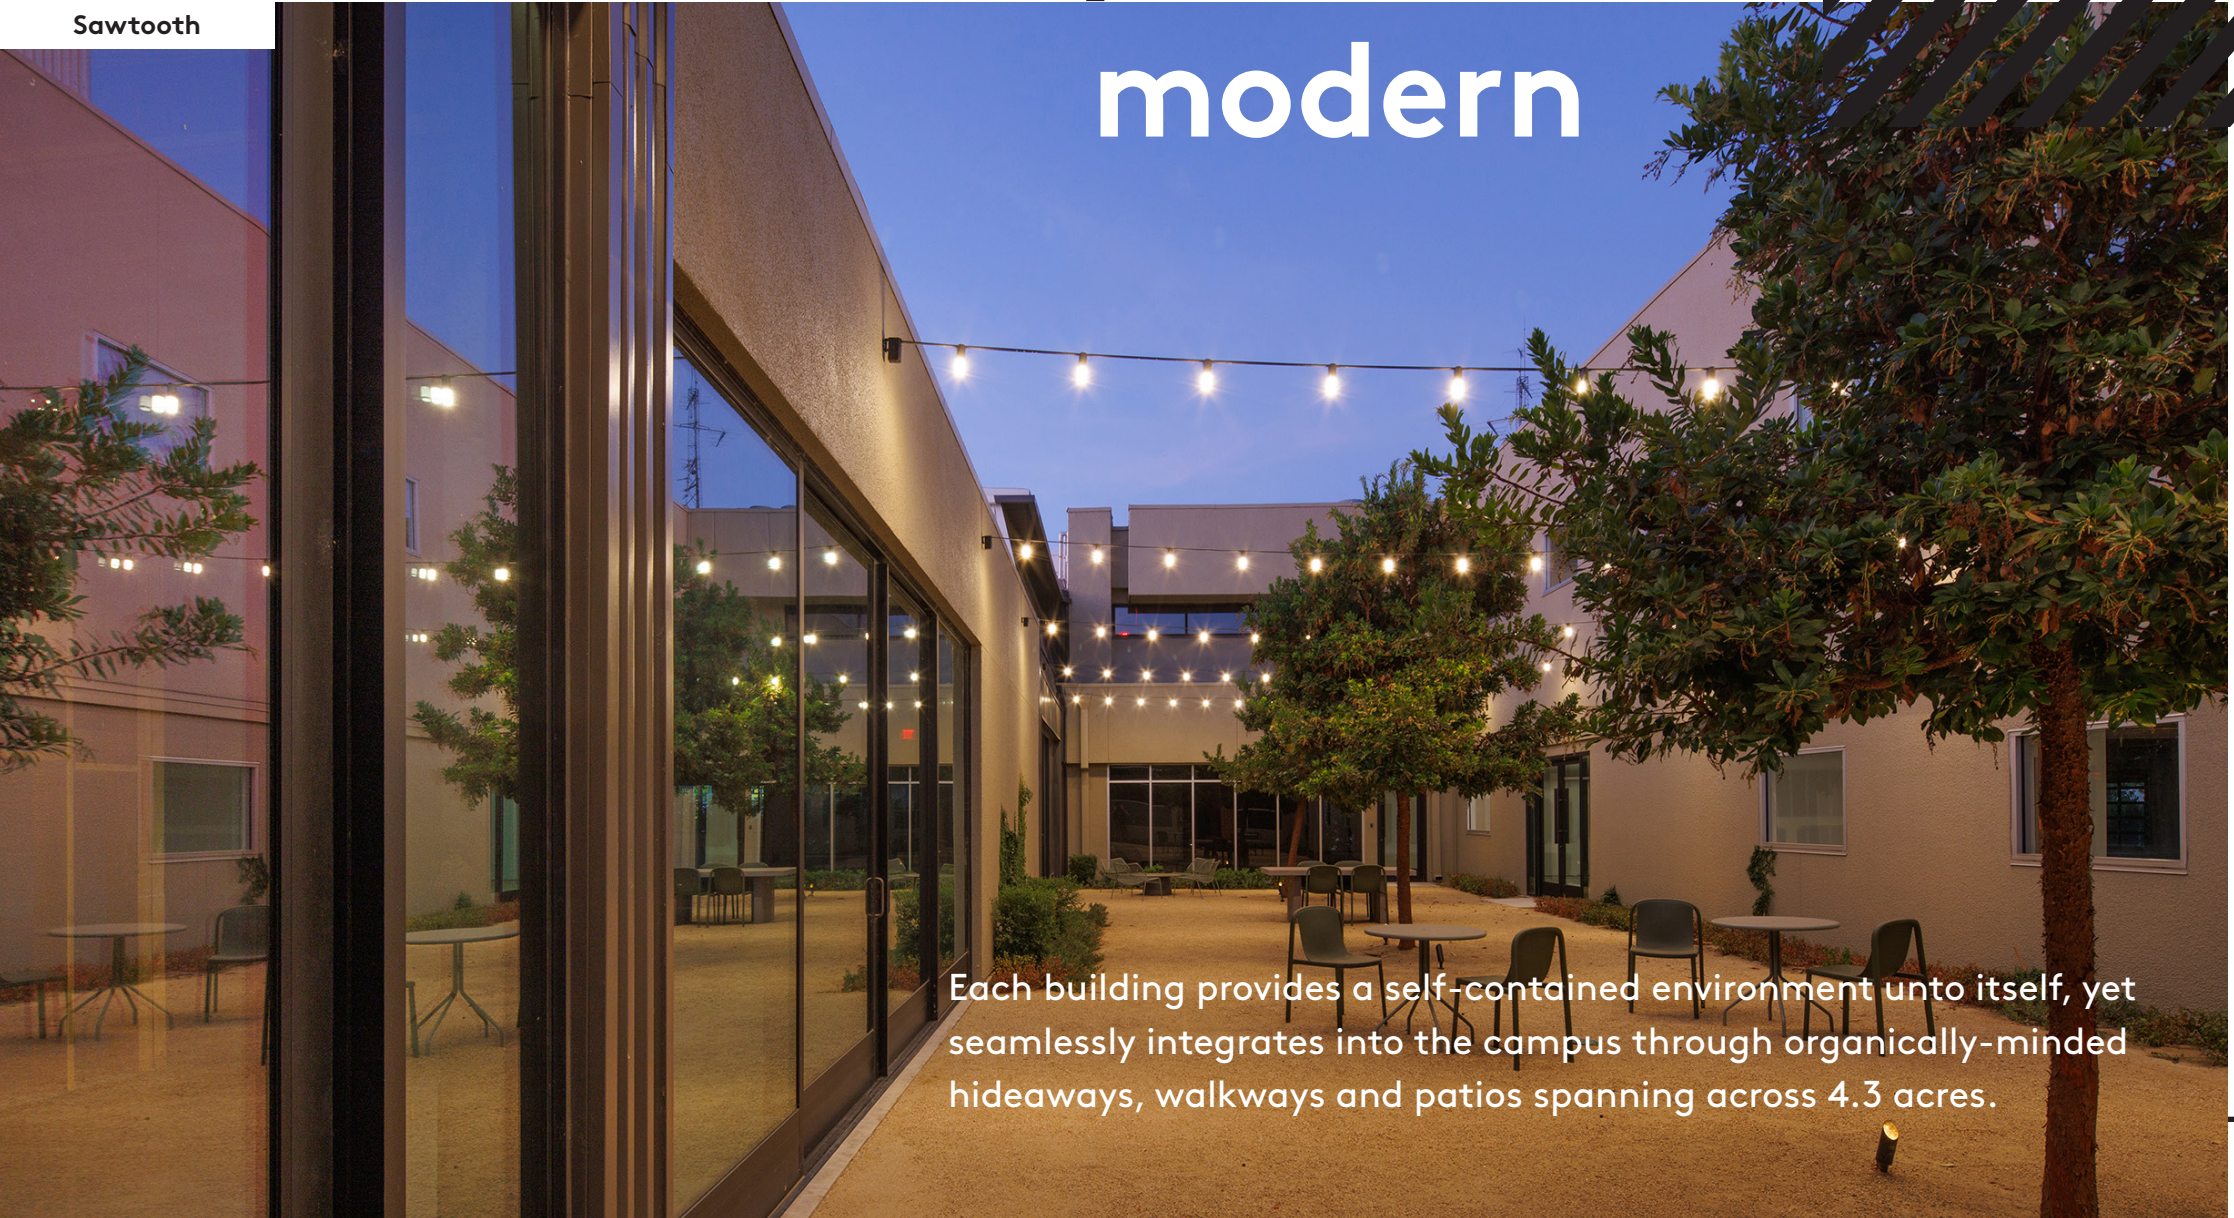

Four distinct buildings, each historically significant with authentic character, have been adaptively repositioned to advance the modern workplace, cultivate evolving company culture and drive creative talent. A vibrant, unique environment for self-disruption and innovation.

artfully

modern

Sawtooth

Each building provides a self-contained environment unto itself, yet seamlessly integrates into the campus through organically-minded hideaways, walkways and patios spanning across 4.3 acres.

location

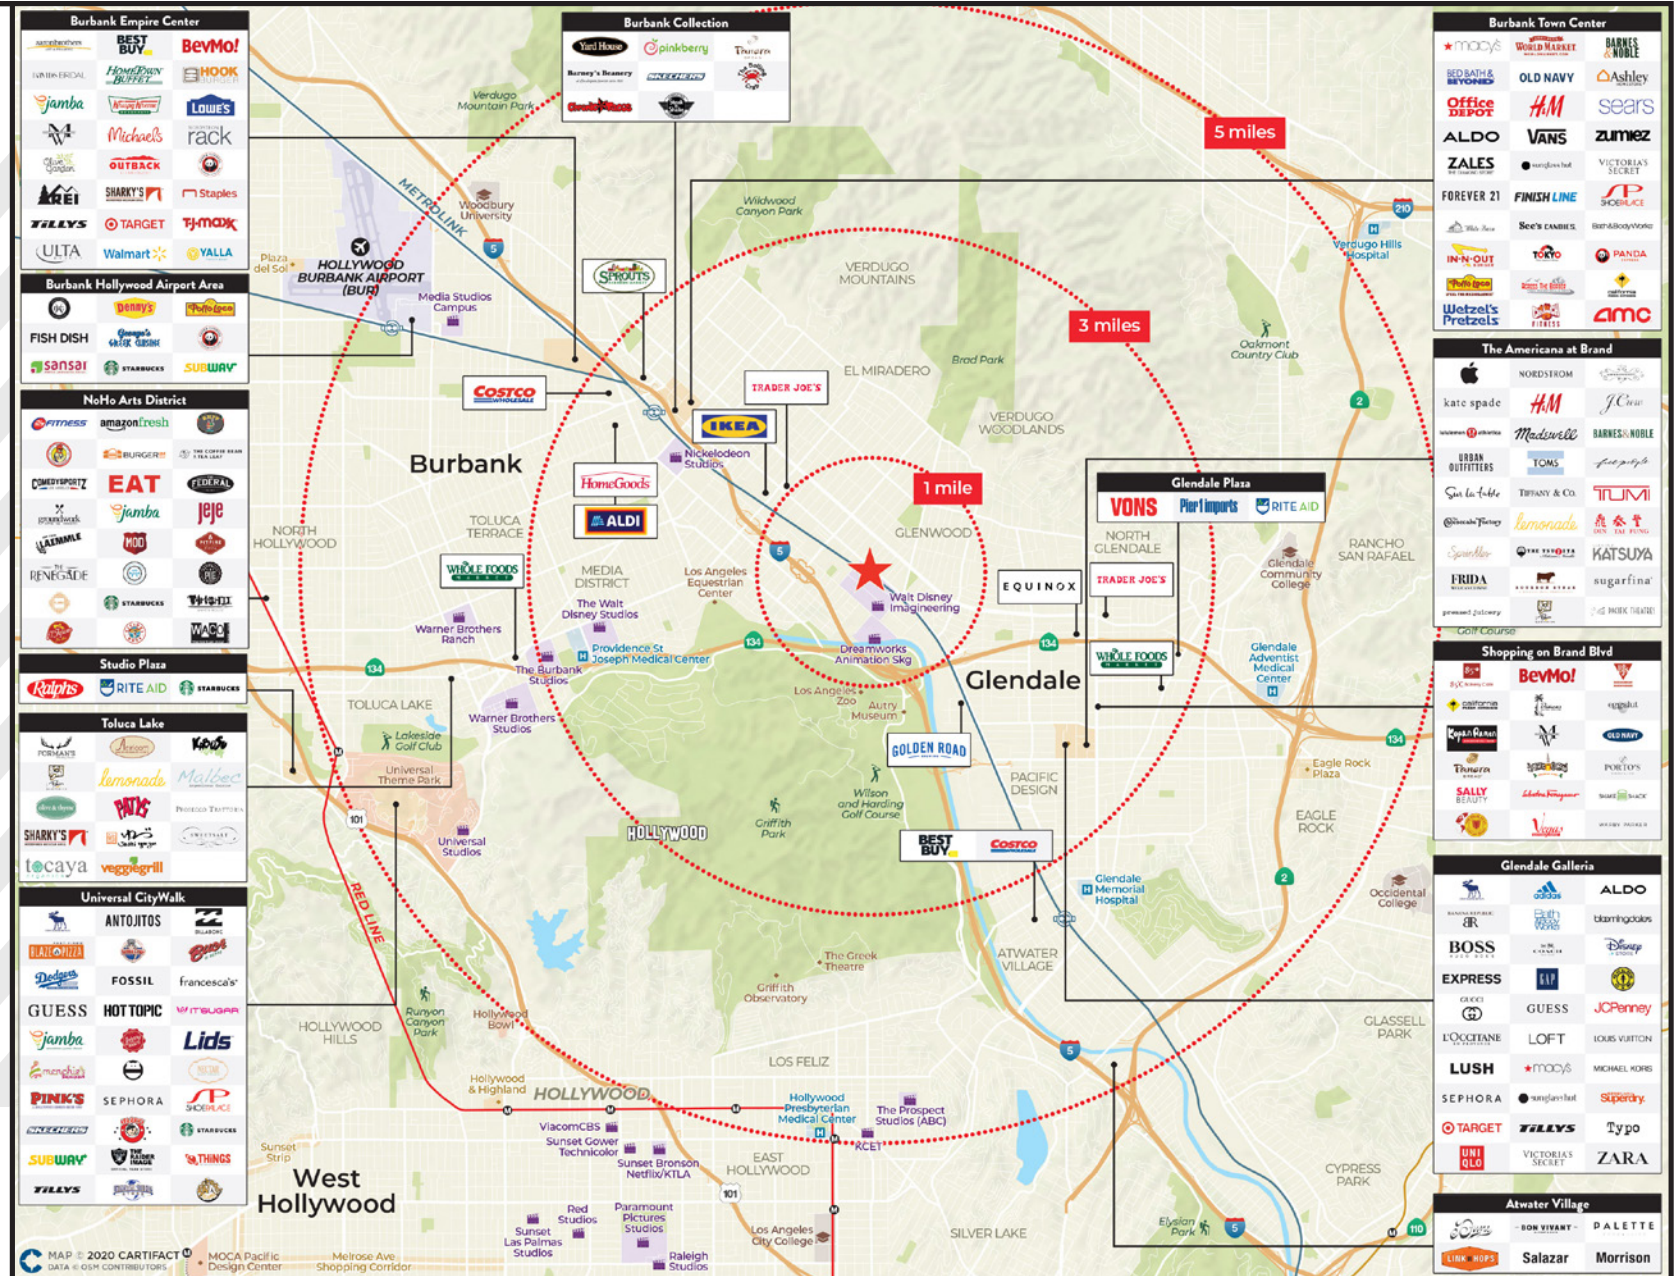

Alongside media titans and industry mavericks, SFR is well-situated to capture the recognition of clients, talent and peers. Quick access to the 5, 134 and 101 freeways, minutes to the Burbank Airport and benefiting from Glendale's favorable city business tax structure, SFR resides in a renowned industry hub with a concentration exceeding 500 media, entertainment and technology companies.

amenities

Minutes from the Metrolink station, SFR is served by a highly walkable and bikeable amenity base throughout Glendale and Burbank. Hundreds of restaurants, shopping and daily needs are nearby for a convenient and productive workday.

Steps from some of the largest film and television studios in the world, 3 miles to Burbank and 5 miles to Hollywood, SFR is at the heart of entertainment.

designed for an evolving workplace

Crane

- ↘ Exclusively control each building or the entire campus
- ↘ Horizontal environment with 1- and 2-story buildings
- ↘ Direct parking access, minimal path of travel, frictionless entry
